

General Guidelines for Chaperones and Volunteers

*****You must have a completed background check to volunteer.*****

Please note that different field trip venues have different requirements - please be flexible.

1. You will be asked to supervise children. For this reason, younger siblings must stay home.
2. If you sign up to chaperone or volunteer, we need you to stay the entire time.
3. If a lunch is required, send it in a disposable paper or plastic bag.
4. Chaperones are encouraged to carpool unless otherwise specified.
5. Students must come to school in order to attend the trip-- they can not meet us at the field trip site.
6. Please be on time!
7. At least 48 hours notice is required for cancellations.
8. There are no refunds for absent students or chaperones.
9. Please limit cell phone use while supervising the students.
